Re: Diamond Alkali Superfund Site (“Site”), Lower 8.3 Miles of Lower Passaic River, Essex and Hudson Counties, New Jersey - United States Environmental Protection Agency (“EPA”) March 31, 2016 Letter re Notice of Potential Liability under U.S.C. § 9607(a) (“March 31, 2016 Notice Letter”)

Dear Ms. Di Forte:

This letter is written on behalf of Cooper Industries, LLC (formerly Cooper Industries, Inc.) (“Cooper”). Cooper was a recipient of the March 31, 2016 Notice Letter.

The purpose of this letter is to update contact information for Cooper and to advise you of Cooper’s interest in participating in the cash-out process described in the letter. Cooper will shortly be making a submission to EPA regarding the Cooper-affiliated facilities that were identified in the March 31, 2016 Notice Letter.

Communications with Cooper regarding the Site should be sent to the undersigned, in place of RosaMaria Villagomez and Gerard Pels:

Lisa D. Sutton
